PB-30A (Summary of Requirements by Budget Program)

February 2000

National Guard Personnel, Army  
Introductory Statement  
Justification of Estimates

The mission of the Army National Guard (ARNG) is to provide units of trained and proficient soldiers. As an integral part of the first line of defense of the United States, ARNG soldiers are prepared for mobilization at all times. The National Guard Personnel, Army (NGPA) appropriation finances the costs to train, educate, and prepare ARNG military personnel for their Federal missions. These costs consist of basic pay, incentive pay, basic allowances for subsistence and housing, clothing, tuition, education benefits, travel and per diem, other pay and allowances, permanent change of station, hospitalization and disability, death gratuities, retired pay accrual, the government's share of FICA, schools, (e.g. career development, refresher training, pilot training, MOS qualification training, new equipment training), and special training including missions to support CINC initiatives to reduce Army PERSTEMPO.

The budget request for the NGPA appropriation reflects funding realignment based on GAO input and continues the Administration's policy of a smaller, post cold war Army National Guard. It reflects the reduction of ARNG soldiers from an authorized end strength of 361,516 in FY 1998; 357,000 in FY 1999; 350,000 in FY 2000 and 350,000 in FY 2001.

PART I - PURPOSE AND SCOPE

This sub-activity provides for pay and allowances, retired pay accrual, clothing and allowances, subsistence, and travel for Army National Guard officers and enlisted soldiers while participating in Annual Training (AT) and Inactive Duty Training (IDT).

Annual Training (AT) - Period of Active Duty for Training of at least 15 days when Army National Guard (ARNG) units perform collective training. Funding for additional days of AT for soldiers to perform required preparation for an AT event is also included. These additional AT days provide advanced parties time to prepare sites for the incoming units and time for rear detachments to clear and turn in training equipment and areas following a unit's departure. Without additional AT days, units would be forced to reduce their training time to accommodate required preparation and departure activities.

Inactive Duty Training (IDT) - Commonly know as "weekend drills". IDT is any training other than Active duty training performed throughout the year. Each ARNG soldier is authorized to attend 48 Unit Training Assemblies (UTAs) per year. A UTA is a four hour block of time. Weekend drills usually consist of 4 UTAs. Additional Training Assemblies (ATAs) are also part of IDT. ATAs provide training time in addition to the 48 UTAs to maintain flight and airborne proficiency and are used by key unit personnel to prepare for training.

Pay and Allowances - This category consists of Basic Pay, Basic Allowance for Subsistence, Basic Allowance for Housing, Cost of Living Allowance and, Special Pay (Flight, Airborne, etc.).

Clothing and Allowances: This category includes uniforms for enlisted soldiers and uniform allowances to officers as prescribed by law (Sections 415, 416, 417, and 418 of Title 37, U.S.C.), and the purchase of individual items of clothing for officers.

Subsistence: Purchase of subsistence supplies for issue as rations to enlisted soldiers participating in ADT and Unit Training Assemblies (UTAs).

Travel: Per diem and transportation provided to and from AT sites in CONUS and OCONUS when away from home to perform duty as stated in Sections 404 and 410 of Title 37, U.S.C.

Military Funeral Honors (MFH) -Legislative proposal to fund support for Military Funeral Honors (MFH) at full drill rate - shown under Enlisted IDT.

PART I - PURPOSE AND SCOPE

The Special Training sub-activity provides for Basic Pay, Retired Pay Accrual, Special and Incentive Pays (Flight, Physicians, Crewmembers), Basic Allowance for Housing (BAH), Basic Allowance for Subsistence (BAS), tuition, Government's share of Federal Insurance Contribution Act (FICA), and Permanent Change of Station (PCS) costs (if tour exceeds 139 days), for personnel on Active Duty Special Work (ADSW) or Active Duty for Training (ADT) attending various special training programs.

Special Training permits the traditional M-Day soldier to perform duty in an active duty status above and beyond the 48 drills and minimum of 15 days of annual training. Special Training affords the ARNG the ability to participate in many training experiences that cannot be conducted (or is not cost effective) during IDT and AT. Additionally, Special Training performed in an Active Duty Special Work (ADSW) status accomplishes missions that exceed the normal workload of full time manning.
